

Scottish Society of Physicians

54th Annual Meeting

FIRST ANNOUNCEMENT

28th & 29th September 2012

Ardoe House Hotel, Aberdeen

We are delighted that this years' meeting will be joint with the Scottish branch of the British Society for Geriatric Medicine.

Topics within the scientific programme will include presentations on:-

- advances in imaging
- surgery for physicians
- advances in lung cancer
- cost effectiveness of new treatments
- nutrition for bravehearts

A trainee session will be held during the morning of Friday, 28th September at the Suttie Centre, Aberdeen
